### Supporting the Work of the Presbytery and the Denomination with Per Capita:

Per Capita is a fundamental way in which all of us, as members of the nearly 10,000 congregations and mid councils of the Presbyterian Church (U.S.A.) connect, participate, and share in the work of the wider church. Per capita is the primary source of funding for the Presbytery, as well as the Synod and General Assembly, and is how Presbyterians mutually and equitably share the costs of coming together to discern the Spirit's leading for the future. It is how Presbyterians are trained to become better ruling elders, teaching elders and deacons, and ministers. It is how Presbyterians are helped to discern God's call in their lives. It has supported our ministries at COF through grants to CLASP and for equipment purchases for our virtual church services. Please prayerfully consider donating the \$33 per capital apportionment set by the Presbytery, for each church member.
