How Can Our Offerings Equip Peacemakers in Congregations and Around the World?

A gift to the Peace & Global Witness Offering between September 4 and October 2 enables the church to promote the Peace of Christ by addressing systems of conflict and injustice across the world. Individual congregations are encouraged to utilize up to 25% of this Offering to connect with the global witness of Christ's peace. Mid councils retain an additional 25% for ministries of peace and reconciliation. The remaining 50% is used by the Presbyterian Mission Agency to advocate for peace and justice in cultures of violence, including our own, through collaborative projects of education and Christian witness.
